The city of Chur has a new hall for concerts, congresses and seminars: The cantonal bank of Grisons (Graubündner Kantonalbank - GKB) transformed its unique clients' hall in Chur in a multifunctional auditorium.

The auditorium can accommodate approximately 400 people and was inaugurated on the 3rd of September 2009.

The hall is mostly used by the bank itself for internal events; it shall at the same time be at the disposal for external host from economy and culture for various activities.
